SoBe Furniture proudly introduces its very own custom-made line of bedrooms. Customizable in just about every way, no longer will you be forced to settle! Made primarily using commercial-grade fabrics and foams, SoBe Furniture's custom-made bedrooms are built to last. All of SoBe Furniture's custom made products are hand-made in our production facilities in Miami, generally with five to six week lead times.

The following aspects of your bed can be customized:

- Color / Material – Your choice of over 300 upholstery options to choose from in-store. Upholstery options include genuine top grain leather, polyester, cotton/polyester, faux leather, microfiber, microsuede, as well as many other performance fabrics.
- Tufting / Stitching – As requested.

**Pricing may vary depending on custom options. See store for details.*
