Aurora 150" Curved Bouclé Sofa with Brushed Silver Base

Redefine your living space with the **Aurora Curved Sofa**, a masterpiece of sophisticated aesthetic language expressed through fluid, organic shapes. Designed to command attention, the Aurora combines the softness of high-texture bouclé with the sharp, striking visual impact of a brushed silver stainless steel base.

More than just furniture, the Aurora acts as a harmonizing element in any setting. Its gentle curvature encourages conversation and flow, making it an impeccable choice for both grand residential living rooms and upscale hospitality lounges. At a stunning 150 inches wide, the Aurora is the ultimate anchor for a luxury modern interior.

Key Features:

- **Sculptural Silhouette:** A sinuous, curved design that softens the lines of a room while maximizing seating space.
- **Premium Upholstery:** Available in tactile White or Dark Grey Bouclé fabric for a cozy, on-trend finish.
- **Architectural Foundation:** Supported by a sleek Brushed Silver Stainless Steel base that adds a touch of industrial glam.
- **Grand Scale:** An impressive 150-inch width designed for large open floor plans and lobbies.
