Modern Beds

Create a sophisticated contemporary look in your master bedroom with the stylish Jaymi Collection. This collection exudes quality, each piece consisting of a hardwood construction finished with rich wood veneers. The Jaymi Collection's case goods each offer ample storage space and are built with drawers that feature dove tail construction and full extension drawer suspension for ease of use and longevity. Metallic hardware accents the wood finish and provides a nice contemporary flare.

The Jaymi Collection is available in two beautiful wood finishes: Dark Cappuccino and White. This collection features three different headboard styles: a Bookcase Headboard (available in Dark Cappuccino only), a Panel Headboard (with optional headboard extensions) and a Platform Headboard. Boxspring not required. **Note: Lights on Headboard Extension not available.*
