The Malu Deluxe Queen Convertible Sofa is an elegant and modern Scandinavian sofa bed. Though it may look like an ordinary sofa, the Malu Sleeper Sofa transforms into a very comfortable queen size bed. The sofa itself is actually comprised of two independent mattresses, each of which contains individually-wrapped coils, wrapped in a high-quality granulate foam. The sofa bed's frame is made of cured and protected steel, ensuring that it will last a lifetime. The frame is covered in 100% polyester, which is soft and extremely comfortable to sleep on. Because the bed opens forward, the sofa can be placed against the wall of your room and does not need to be moved off the wall to open. Perfect for your living room or a guest bedroom!

Available in three fabric colors: Gray or a special ordered color.
