CONTEMPORARY SECTIONALS

The Dario Italian Leather Reclining Sectional is an extraordinarily comfortable and high quality sectional! Wrapped in extra-thick, top grain Italian leather, the leather covering the Dario is soft to the touch, yet thick and very durable. The Dario features all adjustable headrests for extra comfort and support. Seats and backs have high density foam, which provides additional comfort. The very best feature of the Dario, however, is its "touch" electric recliner. With the push of just one button, the seat of the Dario will recline as far back as you wish! Stocked with 2 power recliners, but can be ordered with more/less.

The Dario can also be custom ordered in your choice of over 60 different leather colors and fabrics. Custom configurations are also available. Please visit or call SoBe Furniture for additional information.
