Contemporary Bedroom Bench

The Lush Bench is the perfect accent piece for any modern bedroom or living room! Upholstered in durable leatherette and filled with a foam core, the Lush Bench is both flat enough to function as an occasional table yet still comfortable to use as a seat or ottoman. Beyond its comfort, the Lush Bench is built to last, supported by a chromed frame, and has a look that seamlessly blends with virtually any modern living room or bedroom set.

Available in four colors: White, Black and Red.
