Contemporary Beds

Experience modern European design at its finest with the Tuscany Collection. This collection features a beautiful blend of white and multi-toned taupe, which provides style and a sophisticated flare. The collection features an entire bedroom suite, including a beautiful bed, spoacious nightstands, an elegant dresser, and even a five-drawer chest, for even more storage. All casegoods feature the same white and multi-toned taupe high gloss lacquer look, made popular in Europe. Made in Italy.
