Contemporary Office Chairs

The Comfy Office Chair offers a sleek design that brings inspiration to your office! Smart, this chair offers adjustable tilt angle, tilt tension and tilt lock to let you control the chairs rock and recline. Its swivel seat with pneumatic height adjustment is easy to change from a seated position. The Comfy office chair has a durable and stylish steel-frame construction supported by a 5-star oversized base. The integrated loop arms adds comfort relieving the shoulder strain by supporting you upper torso. The Comfy Office Chair beautifully blends in any modern office or room décor!

Available in: Black, White and Brown.
