Introducing the ultra-luxurious Elena Storage Bed. Featuring a design called "restored modern," this bed includes a number of high-end European features, such as a hydraulic lift component with under bed storage and a removable fabric cover for easy cleaning. The gray fabric cover is made of the highest quality materials which make it odor- and water- resistant and antibacterial. With ample storage space, a fabric that is durable yet soft-to-the-touch, and incredible style, the Elena Storage Bed is an absolute must have! Made in Italy.
