The Marpietra Dining Table offers echoes a twist of Mid Century Modern design and inustrial design with its cement and fibre base and bevel-edge round top. Its features a high tech seamless Solid Surface in white and a cement and fibre base that is 60% lighter than marble, keeping the table sturdy yet moveable. The Marpietra Dining is built to last you through the years to come, its top is cosmetically renewable and resistant to stains, bold, bacteria and fire. The Marpietra Dining Table will be sure to elegantly complement any home it sits in.
