CONTEMPORARY SECTIONALS

The Benjamin Italian Leather Reclining Sectional is an extraordinarily comfortable and high quality sectional! Wrapped in genuine, extra-thick, top grain Italian leather, the leather covering the Benjamin is soft to the touch, yet thick and very durable. The Benjamin features all adjustable headrests for extra comfort and support. Seats and backs have high density foam, which provides additional comfort. The very best feature of the Megan, however, is its "touch" electric recliner. With the push of just one button, the seat of the Benjamin will recline as far back as you wish!

The Benjamin Sectional can also be custom ordered in your choice of over 30 different colors. Custom configurations are also available. Please call SoBe Furniture for additional information.
