CONTEMPORARY SECTIONALS

The Clio Italian Leather Reclining Sectional is an extraordinarily comfortable and high quality sectional! Wrapped in extra-thick, top grain Italian leather, the leather covering the Clio is soft to the touch, yet thick and very durable. The Clio features all adjustable headrests for extra comfort and support. Seats and backs have high density foam, which provides additional comfort. The very best feature of the Clio, however, is its "touch" electric recliner. With the push of just one button, the seat of the Clio will recline as far back as you wish!

The Clio can also be custom ordered in your choice of over 30 different colors and fabrics. Custom configurations are also available. Please visit or call SoBe Furniture for additional information.
