The Havana Custom Sectional is an absolute work of art! Part of SoBe Furniture's Custom Living Room Line, the Havana Sectional is hand-made using the finest fabrics and foams. As a custom, hand-made sectional, virtually any aspect of the Havana is customizable. On display at all store locations. Price quoted based on the dimensions below and frame in the picture. 100% Made in the USA.

### **Sample Dimensions**

Item	Qty	Width	Depth	Height
Sectional	1	120"	65"	32"

SoBe Furniture proudly introduces its very own custom-made line of living rooms. Customizable in just about every way, no longer will you be forced to settle! Made primarily using commercial-grade fabrics and foams, SoBe Furniture's custom-made living rooms are built to last. All of SoBe Furniture's custom made products are hand-made in our production facilities in Miami, generally with 8 to 10 week lead times.

The following aspects of your living rooms can be customized:

- Size / Dimensions Any aspect related to size can be modified, including, but not limited to: length, width, depth, height, seat height, arm height and arm width
- Configuration Any configuration can be chosen. Popular configurations include, but are not limited to: sofas, loveseats, chairs, sectionals with a chaise, sectionals with a bumper, and modular sectionals
- Feet Seven different foot options are available
- Color / Material Your choice of over 300 upholstery options to choose from in-store. Upholstery options include genuine top grain leather, polyester, cotton/polyester, faux leather, microfiber, microsuede, as well as many other performance fabrics
- Tufting / Stitching As requested
