SoBe Furniture proudly introduces its very own custom-made line of living rooms. Customizable in just about every way, no longer will you be forced to settle! Made primarily using commercial-grade fabrics and foams, SoBe Furniture's custom-made living rooms are built to last. All of SoBe Furniture's custom made products are hand-made in our production facilities in Miami, generally with 8 to 10 week lead times.

The following aspects of your living rooms can be customized:

- **Size / Dimensions** - Any aspect related to size can be modified, including, but not limited to: length, width, depth, height, seat height, arm height and arm width
- **Configuration** - Any configuration can be chosen. Popular configurations include, but are not limited to: sofas, loveseats, chairs, sectionals with a chaise, sectionals with a bumper, and modular sectionals
- **Feet** - Seven different foot options are available
- **Color / Material** - Your choice of over 300 upholstery options to choose from in-store. Upholstery options include genuine top grain leather, polyester, cotton/polyester, faux leather, microfiber, microsuede, as well as many other performance fabrics
- **Tufting / Stitching** - As requested
