CONTEMPORARY SECTIONALS

The Romeo Italian Leather Reclining Sectional is an extraordinarily comfortable and high quality sectional! Wrapped in genuine, extra-thick, top grain Italian leather, the leather covering the Romeo is soft to the touch, yet thick and very durable. The Romeo features 3 adjustable headrests for extra comfort and support. Seats and backs have high density foam, which provides additional comfort. The very best feature of the Romeo, however, is its "touch" electric recliner. With the push of just one button, the seat of the Romeo will recline as far back as you wish!

The Romeo Sectional can also be custom ordered in your choice of over 20 different colors. Custom configurations are also available. Please call SoBe Furniture for additional information.
