The Cassy Deluxe Convertible Sofa is an elegant and modern Scandinavian sofa bed. Though it may look like an ordinary sofa, the Cassy Deluxe Convertible Sofa transforms into a very comfortable full size bed. The sofa itself is actually comprised of two independent mattresses, each of which contains individually-wrapped coils, wrapped in a high-quality granulate foam. The sofa bed's frame is made of cured and protected steel, ensuring that it will last a lifetime. The frame is covered in leatherette, which is easy to clean and maintain. Because the bed opens forward, the sofa can be placed against the wall of your room and does not need to be moved off the wall to open. Perfect for your living room or a guest bedroom!

Available in three colors: White Leather, Grey Fabric and Natural Fabric.
