The Roca Side Table by The Furniture Team European Atelier

Discover the intersection of natural artistry and modern design with the Roca Side Table. A true statement piece from our The Furniture Team, the Roca is designed for those who appreciate bold, sculptural forms and lasting quality. Its centerpiece is a sophisticated matt grey ceramic top, prized for its luxurious feel and exceptional durability against scratches and daily use. The fluid, organic shape of the tabletop rests upon a sturdy, minimalist black metal base, creating a look that is both grounded and dynamic.

- **Sculptural Ceramic Top:** A durable and scratch-resistant matt grey ceramic surface offers a high-end, practical finish.
- **Artistic Shape:** The asymmetrical, organic design provides a unique and contemporary focal point for any room.
- **Minimalist Base:** A sturdy, painted black metal base ensures stability while maintaining a sleek, modern profile.
- **Complete the Set:** An optional matching **Roca** Coffee Table (optional) is available to create a cohesive and harmonious living space.
