Contemporary Beds

The Verado Solid Wood Custom Contemporary Bed is an absolute work of art! This bed is completely hand-made using real solid wood and only the finest fabrics. As a custom, hand-made bed, you are able to choose the type of wood stain/paint, custom leg options, and fabric options are also available. The sale price advertised is based on the dimensions below and frame in the picture without the nightstands. The Verado Solid Wood Custom Contemporary Bed will add a touch of sophistication and modern design to any bedroom you place it in.
